Dear Mr. Holderby:

Re: Colbert Landfill\MFS Groundwater Monitoring\Revised Plan

With input from Ecology and the Spokane County Health District, Spokane County has revised their February 27, 1996 proposed plan for groundwater monitoring to meet MFS requirements at the Colbert Landfill.

I have enclosed a copy of the revised plan, dated May 17, 1996, for your review. Please review the plan at your convenience. I will contact you during the first week of June to discuss the proposed plan. If you have any questions regarding this letter please contact me at (360) 407-7239.
